Dear Maria Segui-Gomez:

The American Public Health Association's 134th Annual Meeting and Exposition in Boston, MA will be here before we know it. This year's meeting is offering a broad spectrum of high quality, in-depth scientific sessions and the Program Planning Committee and APHA staff want to thank you for your contribution and participation in furthering public health education. While we are excited that more than 900 sessions will be presented, the sheer number of sessions and program participants prevent APHA from paying honoraria and expenses.

The current scheduling information for your accepted abstract(s) is as follows:

Abstract #131999
Abstract Title: Injury Indicators: The IN thing these days
Type of Presentation: Oral
APHA Session #3126.0
Session Title: Research
Date, Session Start Time: 11/06/2006, 10:30 AM
Hotel: BCEC Room: 212
Organized by: ICEHS

Key: W = Westin Boston Waterfront; S = Seaport Hotel; BCEC = Boston Convention & Exposition Center

A detailed schedule for your session(s) is available on line at: <http://apha.confex.com/apha/134am/techprogram/>. Please search the program using your 4-digit session number listed above to ensure no changes have been made since your earlier communication from APHA. Guidelines for oral, poster and roundtable presentations can be found at http://www.apha.org/meetings/session_presenter_only.htm

If you have not received the Advance program with a meeting schedule, housing, membership and registration forms, you may access and print this and other detailed information on the meeting at <http://www.apha.org/meetings>. Please be reminded that all program presenters must register for the Annual Meeting and become an Individual member of the Association in order to give your presentation. If special arrangements have been made for your registration please confirm those arrangements prior to your departure to Boston to ensure your registration materials are reserved.

Any questions about your presentation should be directed to the program planner of the Section, SPIG or Caucus organizing the above referenced session(s). Contact information can be found at <http://apha.confex.com/apha/134am/oasys.cpl>.

Please note: It sometimes becomes necessary to relocate sessions so please refer to the printed Final Program on-site to re-confirm your session location.

Once again we thank you for your contribution to public health and involvement in the APHA Annual Meeting and look forward to seeing you in Boston, MA.

Sincerely,

Donna L. Wright
